are still \$751,000 acres of public hands in the district, an area greater than that of the state of Connecticut more than five times the area of Rhode Island, or almost three times the area of the state of Delaware. Eddy county still has \$1,956,761 acres of public lands, or more than the entire area of the state of Rhode Island. Chaves county has \$756,460 acres still open to early; this being also more. The county has \$25,260 acres. The counties only partially in the Roswell district have areas in the district open to early as follows: Otero county 675,200 acres. Cotero county 675,200 acres. Cotero county 675,200 acres. To the area of Rhode Island; Rosserell, 25,120 acres. Socorro, 85,800 acres. Torrance, 25,156 acres. The office has uncalled for 169 homestend patents, the oldest running back to June 25, 1875, signed by president Rutherford B. Hayes, and made out to Mai, Lawrence G. Murphy, of Lincolm. Business men in Gormany, former ambassador Gerard says, urge or the war as they hope to be sayed from.	not to worry in the meanwhile. There is no reasons why a world's series cannot be arranged to begin september 3 or 4. The men who will play the world's series games would have been granted ten days or two weeks by their draft board in which to tind globs. By our system of finding essential work for the athletes, they would be at work before that period of time expires. Lindsey Warns People Against Bond Sharpers Keep Away From Stock Speculators Seeking U. S. Securities, He Says. Santa Fe, S. M., July 31.—Gov. W.	COMMISSION IN THE ARMY Fhoenix, Ariz., July 21.—It is said that Gov. Hunt has recommended Prederick S. Struckmeyer for ap- pointment as a member of the judge advocate general's division of the army, with the rank of natior. Such a recommendation is said to have been asked of the governor several months ago, and he is said to have had under consideration the names of Capt. J. L. B. Alexander. J. P. Lavin and Paul Geary, all of Phoenix, and stale senator C. H. Rutherford, of Jerome. Mr. Struckmeyer is a close political associate of the governor's and for a while was legal member of the state commission of public institutions. He was a cardidate for attorney general two years ago and is understood to be willing to be so understood this year. He is an attorney in artive practice in Phoenix, where he handled the Hunt side of the gubernatorial con- test after the death of Eugene S. Ives, and be is the principal attorney, with W. R. Clesary, how in Chicago, in representing those deported from fishee in damnage suits filed against Codise coverty mining companies and	Another Girl Joins Navy's Recruit Staff Miss Logan Enlists As Yeomanette; Electrician Hass Takes a Trip. The navy recruiting force here was increased Wednesday by the addition of another recomanette in the person of Miss Margaret C. Logan, of 2010 Grant avenue. Miss Logan was aworn into the service Wednesday morning by Lieut. S. P. Tracht, for the period of the war. She will start active work at the recruiting station Thurs- lay. Tuesday, according to Lieut. Tracht, at one time there were signifying women at his office who desired to become enlisted.	friends in El Paso." Pledged For Reforms. Mr. Thomason said he was for clean and honest government. He said he voted against submission of the prohibition question at the regular season, because his constituents had so instructed him, but at the special seasons his vote "for what I thought was the clean side of affairs." It thought was the clean side of affairs. It thought was the clean side of affairs. The could to have prohibition and woman suffrage written in the stais constitution. He would also work for mational woman suffrage, he said. No Vete, these Fighter. "This is a progressive day," the shateman greiorms we never dreamed of before. I look for a revolution, so to spoak, in our lives, and I want to be on the progressive side. I was for a clean hallot and an honest country, but to people being voted. It wanted more but American cilizants to be on guard at this crists. I don't wanted some but American cilizants to be out guard at this crists. I don't believe any man should be allowed to you unless he can carry arms for the country." Means To Help West Texas. After outlining that he was intensely interested in education, and would so all he could to make the university of Texas zecond to none. Mr. Thom	On the basis of data secured and decisions reached, the supervisors and assessors, at their stated meetings in August, will adjust most of their questions of taxation. A committee case appointed to take up with the state council of defence some questions concerning the organization of the county councils.
